OUR COMPANY

Welcome to NAMO where you can find the ingenious sharp vision, global network and powerful backbone. The company carries the vision to be the global ceramic company most admired for its People, Product and Performance. It believes in producing superior quality glazed tiles with a sharp vision on market. It takes a lot of skills to design and manufacturers in a competitive market.

NAMO has installed latest machinery and advance technology. So, now both are quality and service.

The company has huge production capacity which falls in line with high European standard. The company has in-house R&D department, wherein continuous research is done in design and quality of glazed tiles, In order to provide value for money to our customers.

The company has well-established dealer network throughout the whole country and it has marked its presence in export market countries. The company promise to deliver quality in everything they do, right from raw material purchase to stage wise quality control, to final inspection to every support functions like dispatch and accountung. The company will strive to improve quality by plugging the reasons for mistakes and quality fall, In doing so we well respect the environment and support community upliftment too.

By doing so the company will naturally not just meet but beat the customer's expectations. We will surely be the best admired brand by our actions for the society in every aspect.
